Dear Mr Allison,

### **ELECTORAL REVIEW OF MALVERN HILLS: FURTHER DRAFT RECOMMENDATIONS**

The Local Government Boundary Commission for England has opened an additional public consultation on its further draft recommendations for new electoral arrangements in Malvern Hills District Council.

The consultation opens today (28 June) and closes on 8 August 2022.

The Commission has decided to carry out an extra period of consultation, in response to local feedback, which opposed our proposals in several areas of the district.

Once the Commission has considered all the responses to the consultation, we aim to publish final recommendations in September 2022. We will then lay a draft order in both Houses of Parliament under the negative resolution procedure. Subject to parliamentary scrutiny, the new electoral arrangements are scheduled to come into effect at the district elections in 2023.

All information relating to the further draft recommendations is available on our website. The Commission's report on its further draft recommendations can also be found at: [www.lgbce.org.uk](http://www.lgbce.org.uk).

Interactive maps of the proposals are also posted on the Commission's consultation portal at: <https://consultation.lgbce.org.uk>. The portal also allows visitors to submit comments and alternative proposals.

I would be grateful if you could bring the consultation to the attention of elected members, particularly those in the areas affected.

We have also provided information on this further consultation directly to local councils and community organisations as well as notifying local press and media.
