

20's Plenty

20's Plenty for Us is a 'not for profit' organisation with 500 local groups campaigning to make cities, towns and villages around the world better places to be.

We campaign for a **speed limit of 20mph to be normal** on residential streets and in town and village centres, unless full consideration of the needs of vulnerable road users allows a higher limit on particular streets.

Being hit by a car at 30mph is equivalent to an 8.8 meter trench fall. 20mph is 3.6m and is best practice where motors mix with walkers and cyclists.

Quality of life benefits include **20% fewer casualties, half the noise, a quarter less pollution, increases in cycling, decreases in car use and less fear, with no significant change in trip time**

Please put a motion for 20mph to your Town or Parish Council. Briefing at https://www.20splenty.org/parish_council_motion

Please put the 20mph motion on your Parish/Town meeting agendas for the next meeting

Motion

[Your Parish or Town council name]:

- **Supports the *20's Plenty for Worcester* campaign;**
- **Calls on Worcestershire County Council to implement 20mph in [your place]; and**
- **Will write to Worcester County Council to request 20mph speed limits on streets throughout Worcestershire where people live, work, shop, play or learn, with 30mph as the exception on those roads, where full consideration of the needs of vulnerable road users allows a higher limit.**
