

# **BROADWAS & COTHERIDGE PARISH COUNCIL**

## **RESPONDING TO THE CORONAVIRUS EPIDEMIC**

Most people who are infected by Coronavirus will recover, but some are at risk. These include those over the age of 70 and those (of any age) who have significant existing health problems. It is important for these groups to “socially distance” themselves and avoid contact with other people. Many will be relying upon friends or neighbours to deliver their shopping and medication, but there are some who do not have family or friends living nearby.

**If you are self-isolating in Broadwas or Cotheridge and in need of somebody to assist with shopping or collecting medication, or just someone to chat with, please contact any of the following Parish Councillors who will be pleased to try to help: -**

Also, if you are aware of anybody in Broadwas or Cotheridge who might need assistance, please pass on this information to them.

Finally, people who live alone are likely to have significantly less contact with visitors etc during the Coronavirus outbreak. Therefore, the Parish Council encourages all members of our community to be “good neighbours” and to make regular telephone calls to those who might appreciate a friendly voice. No one should feel alone.
